WORK EXPERIENCE

Narrative Writer

Black Flower Studios

September 2023 to October 2023

Directly contribute to the overall narrative process of the visual novel writing and editing the script of the entire storyline of its detective noir section.

Narrative Editor

MONSTER MAYOR Visual Novel

September 2022 to October 2022

Oversee the writing and overall narrative process of the visual novel. Help develop the storyline by providing new ideas and editing the scripting process of the dialogue and overall story script.

Freelance Writer

INLINGO - Gamedev Outsourcing Studios

April 2022

Provide the creation of creative texts according to the given terms of reference for various projects of clients; this includes dialogue, copywriting, and whole scripts depending on what the client commissions.

Narrative Writer

Friendship Beats Visual Novel

November 2021 to December 2021

Provide the player with a variety of character paths and interactions within the game's storylines so they can progress in character as they play the visual novel. Ensure consistency across all character routes working with artists, other writers, and the narrative director.

Narrative Writer

Dreamy Folk

Silmarillion Bannerlord

February 2021 to June 2023

Write and flesh out various faction and race questlines within the game's setting in order to encourage personal player character progression. Consult with Lead Narrative Designer on the established list of race and faction characters, how they are presented in game's setting, and how they interacted with the world and other characters around them.

Production Assistant

Garden Films Productions, LLC

April 2019 to April 2019

Assist with production work directly onset of filming. Make sure no one interfered with ongoing filming while providing and aiding in any way director and production crew called for.

Intern

In & Out Productions

August 2018 to December 2018

Assist with pre, during, and post-production work. Make sure nothing interfered with filming while providing and putting together the props and other items needed for on-set filming. Provide aid towards post productions editing towards various other projects already filmed.
